PLUMBING & HEATING PRODUCTS

ISSUE 10 - SPRING 2024

WWW.TURNBULL.CO.UK

What are 'REWARDS'?

in partnership with

We value our customers and as a thank you for choosing to shop with Turnbull we created REWARDS, working in partnership with Virgin, to bring you some really exciting opportunities...

REWARDS gives you money back (in the form of GIFT VOUCHERS) when you buy products from this booklet. When you purchase these items, the 'REWARDS value' can be redeemed for Virgin gift vouchers which can be used to pay for an amazing choice of Virgin Experience Days, Virgin Holidays, Virgin Atlantic Flights, Virgin Voyages and Virgin Wines.

Alternatively you can opt to choose Amazon or Love2Shop vouchers. But remember, the more you spend with us, the more you earn!

The best part is, you don't have to do anything! Your REWARDS account is automatically connected to your Turnbull account, so we'll keep adding the value you're earning and your REWARDS will keep accumulating until you decide to redeem them.

You can redeem the vouchers at any point, but you may choose to accumulate your REWARDS so that you can treat yourself at the end of the year!

To register simply scan here.

We hope you enjoy browsing through this booklet, you'll see we have some great offers on the products, tools, materials, plumbing, heating kitchen and bathroom essentials you need, and remember...

At TURNBULL, we ALWAYS supply brands you can trust.

VOLANO TERMICO PDC PENSILE HANGING BUFFER TANK FOR HEAT PUMP

TECHNICAL DESCRIPTION

Buffers either for hot or cold water have two main functions: they work both as hydraulic separator and buffer tank.

The hydraulic separator makes the heat pump flow rates and terminals flow rates unconnected. The buffer function reduces the heat pump on/off switchings.

Hanging energy buffer tanks are designed for wall installation.

MATERIAL

Mild steel.

EXTERNAL LINING

Grey PVC.

INSULATION

High thermal insulation with ecological polyurethane hard foam.
